## Membership

Membership is very important to us both in what the church gives to its members and the members give to the church. We regard everyone who attends faithfully, gives faithfully, and shows commitment and involvement in the life and ministry of Sierra Bible Church to be a member of our church. However, we do require those who are called to take up leadership positions in the church or who desire to be able to vote on the rare occasions votes are taken, to take a membership class, sign our membership covenant, and be welcomed as a voting member at one of our Sunday services. More details on becoming a voting member are available upon request.
