*This calendar provides both specific and general prayer requests for the month of Prayer for Foster the Sierras. Foster the Sierras is a ministry of Sierra Bible Church facilitated and run by the Grant family. Russell and Mikayla Grant began their foster/adoption journey over a decade ago and have obeyed God's calling to equip and encourage other families (both within SBC and in the Truckee community) to love children in the foster care system. If you want to assist in this ministry, please contact Mikayla at [mikaylagrant@hotmail.com](mailto:mikaylagrant@hotmail.com).*

*The foster families in the local body of Christ that are currently active are: the Hussars (kinship), the Krafts (in process of adoption), the Wolfes (attend Tahoe Forest, in process of adoption), and the Bradens (foster daughter). The Rogelstads and Monizes provide respite care for our families. Feel free to contact Mikayla via email if you would like to reach out to any of these more personally.*

*You are invited to fast on Sunday afternoons or evenings during the month of March for this ministry. Weekly emails will go out with prayer encouragement. Please contact Alli Richardson if you have any questions or suggestions to this prayer calendar at [jesseandalli@sbcglobal.net](mailto:jesseandalli@sbcglobal.net).*
